

***PLAN (BASIC - POSITIONAL)***  
***COST - RS.4000/-***  
***(3 MONTHS – 90 DAYS)***

The plan includes positional recommendations on EQUITY, FUTURE CONTRACTS OF INDICES AND STOCKS listed on NSE India.

**PLAN DETAILS:**

- At a given time no more than 5 trading ideas will be active. Hence you trading capital have to be planned in order to execute up to 5 trades on cash or futures market.
- Trade ideas will be given only on stocks and indices traded in FUTURES MARKETS.
- All trades will be positional in nature. Hence a customer may need to implement the trading idea and hold it for more than one day in order to benefit.
- All trade ideas will be forward via SMS and to the email ids provided.
- A trade idea given on a stock will be given for both futures and cash market so that one can act on it according to their capital size.
- All trade ideas will be given with targets, stop losses and price range for execution. Recommendations will also be given for closing the trades if necessary.
- Our trading ideas are not an advisory to your trading capital or portfolio. Implementing them will be at your own risk.

**PAYMENT DETAILS**

The plan costs Rs.4000/- for 3 months (90 days) . We do not have any refund policy.
